

Regional Plans for Sustainable Development (RPSD) HUD Project Process

Facts:

- The RPSD will clearly define a single, integrated plan for regional development over a minimum of 20-year timeframe, with 3-5 year benchmark performance targets.
- 36 months timeframe

Questions:

1. How are we (Coalition, Partners, etc.) going to develop a regional plan
2. What will each partner provide for the plan
3. How will the partners help accomplish each of these steps

Partner Involvement Ideas:

- Strategy Team to provide in-kind for a staff person
 - 3 hours a month for 3 years
- Awareness, support and staff people
- Marketing
- Facilitation
- Meeting locations
- GIS Support
- Website Support
